

Freebuild/Space Only Stands

To enable us to quote please can you forward a floorplan showing your requirements, stating :

1. How many sockets for power TV's, Laptops etc and note what load is required in watts per item
2. How many lighting connections/sockets and what load in watts is required
3. 4 Way Extension Leads only can be used and no longer than 2m and 500w maximum load
4. The plan is to clearly show the positions of the power sockets and lighting connections and the orientation of the stand layout
5. Floor Type to be stated e.g. Raised Platform, Floor Flats etc
