

MONDAY 2 JUNE 2025

Time	1	2	3	4	5	6	Trainees	Students	Case reviews	Hands-on ultrasound	Service delivery hub	Innovation hub	Clinical hub	Wellbeing hub	Time	
08:00-09:00	Registration First-timers & international delegates breakfast										EXHIBITION CLOSED				08:00-09:00	
09:00-09:50	Plenary 1: How bad are bananas? Considering our individual and collective impact on the global village <i>Professor Mike Berners-Lee, Founder & Director, Small World Consulting; and Author</i>														09:00-09:50	
09:50-10:35	Exhibition & refreshments														09:50-10:35	
10:35-11:35	A1: Clinical oncology Imaging biomarkers for cancer	A2: Proffered papers	A3: Emergency & trauma Acute GI imaging	A4: Head & neck Incidental findings in the head and neck	A5: Digital technology Enhancing efficiency with AI in radiology				A6: Urology Case reviews	A7: MSK U/S Upper	A8: Sponsored session University of Cumbria				10:35-11:35	
11:40-12:40	B1: Clinical oncology MR for radiotherapy planning	B2: Proffered papers	B3: Service op, QI, policy A state of the nation view of Imaging networks	B4: Neuro Imaging the patient with reduced GCS	B5: GI & hep An abdominal twist - differentiating normal and abnormal in the acute post-op abdomen				B6: Emergency & trauma Case reviews	B7: MSK U/S Lower		B8: Sponsored session Nanosonics	B9: Sponsored session TBC		11:40-12:40	
12:45-13:30	Society lectures SCoR Welbeck Memorial Lecture – Quality - is it really everybody's business? <i>Benjamin Roe, Regional Clinical Quality and Improvement Director, NHS England South West</i>														12:45-13:30	
12:40-14:00	Exhibition & lunch										MSK U/S Upper (12:55-13:55)	Sponsored session TBC (12:55-13:55)	Pitch your project (12:55-13:55)			12:40-14:00
14:00-15:00	C1: Clinical oncology Sim-free radiotherapy	C2: Patients Human or Artificial Intelligence representation of our patients in simulation	C3: Edu & workforce Resilience, restoration and retention - sustaining and maintaining our most valuable asset	C4: Sponsored session Fujifilm											14:00-15:00	
15:00-15:40	Exhibition & refreshments											CoR/RCR QSI Quality Mark: Paving the path to sustainable quality improvement (15:15-16:15)				15:00-15:40
15:40-16:40	D1: Urology Urological radiology – looking to the future	D2: Proffered papers	D3: Edu & workforce Recruit, retain and sustain - managing the career pipeline safely and		D4: Digital technology Autonomous reporting	D5: Hot topic Post mortum CT	D6: FRCR Viva teaching tutorial		D7: Neuro Case reviews			D8: Sponsored session TBC	D9: Sponsored session TBC		15:40-16:40	

16:45- 17:45	E1: Emergency & trauma Acute cardiovascular imaging	E2: Proffered papers	E3: Research Health inequalities and the importance of data	E4: Service op, QI, policy Clinical service improvements		E5: Industry (UKIO curated) Successful implementation of AI for cancer patients		E6: GI & hep Case reviews	E7: Head & neck (U/S)	E8: Doctorate den Public, patient, and professional partnerships in research			16:45- 17:45
17:45-18:30	Exhibition reception - meet and network with colleagues, and view the ePosters. (17:30-18:30)											17:45-18:30	

TUESDAY 3 JUNE 2025

Time	1	2	3	4	5	6	Trainees	Students	Case reviews	Hands-on ultrasound	Service delivery hub	Innovation hub	Clinical hub	Wellbeing hub	Time	
08:45	Registration														08:45	
09:15-11:00	Plenary 2: The green prescription - strategies for a sustainable future <i>Panel: Alexandra Hammond, Associate Director, Net Zero and Sustainable Procurement, NHS England; Dr Simon Lambracos, Chief Sustainability Officer Clinical Fellow. Greener NHS & Getting It Right First Time (GIRFT) Programme NHS England; and Dr Rob Chuter, Principal Clinical Scientist, The Christie NHS Foundation Trust and Honorary Senior Lecturer, University of Manchester</i>										EXHIBITION CLOSED (opens at 10:00)				09:15-11:00	
11:00-11:40	Exhibition & refreshments											SoR Leadership Mentoring Scheme (LMS) (11:15-12:15)			Reducing stress through time management (11:10-11:35)	11:00-11:40
11:40-12:40	F1: Clinical oncology Advancing rectal cancer treatment	F2: Proffered papers	F3: Chest & lung Lungs for the general radiologist	F4: Physics & RP Equipment procurement and MPE syllabus	F5: Patients Accessibility within imaging and oncology		F6: Trainee masterclass DKT Top Tips for FRCR: MSK MRI		F7: Hot topic Natural death post-mortem CT cases	F8: MSK U/S Lower		F9: Sponsored session Medcurrent	F10: Sponsored session TBC		11:40-12:40	
12:45-13:30	Society lectures SoR Stanley Melville Memorial Lecture - Lifting the lid on fragility fractures and their impact <i>Jill Griffin, Head of Clinical Engagement, Royal Osteoporosis Society</i>														12:45-13:30	
12:40-14:00	Exhibition & lunch										MSK U/S Upper (12:55-13:55)	Sponsored session AXREM Value based procurement (12:55-13:55)	Sponsored session Medica (12:55-13:55)		Reducing anxiety in tackling difficult conversations (13:20-13:50)	12:40-14:00
14:00-15:00	G1: Digital technology AI in the NHS - the current state of play	G2: Edu & workforce Educational sustainability through creative resource sharing and provision	G3: Service op, QI, policy Community Diagnostic Centres – the national position	G4: Sponsored session Fujifilm											14:00-15:00	

15:00-15:40	Exhibition & refreshments										CoR The CoR Formal Radiography Research Mentoring scheme (FoRRM) 15:15-16:15			15:00-15:40
15:40-16:40	H1: Sustainability Carbon ALARA - time to put sustainability on equal footing with radiation	H2: Proffered papers	H3: Obs & gynae Obstetrics and gynaecology update	H4: Physics & RP Radiotherapy physics – concomitant imaging	H5: MSK Sports imaging 1	H6: Research Support for the radiography workforce	H7: Trainee masterclass DKT Top Tips for FRCR: Neuroradiology		H8: Chest & lung Case reviews: Thoracic imaging in acute settings	H9: MSK U/S Lower		H10: Sponsored session TBC		15:40-16:40
16:45-17:45	I1: Clinical oncology Motion management strategies in abdominal SABR	I2: Proffered papers	I3: Cardiac Cardiac imaging goes green - AI-driven, sustainable, photon-counting cardiac imaging	I4: Industry (UKIO curated) How innovation is improving staff and patient experiences		I5: MSK Sports imaging 2	I6: Trainee masterclass DKT Top Tips for FRCR: Neuroradiology	I7: Physics & RP Leading change	I8: Paeds Case reviews		I9: Sponsored session TBC		16:45-17:45	

WEDNESDAY 4 JUNE 2025

Time	1	2	3	4	5	6	Trainees	Students	Case reviews	Hands-on ultrasound	Service delivery hub	Innovation hub	Clinical hub	Wellbeing hub	Time
08:15	Registration opens (Exhibition opens at 09:00)										EXHIBITION CLOSED (opens at 09:00)				08:15
08:45-09:45	J1: Clinical oncology Novel applications of adaptive RT platforms	J2: Proffered papers	J3: Paeds The child in A&E	J4: Physics & RP IRMER updates	J5: BAMRR TBC	J6: Breast Breast for the specialist and generalist – working smarter							J7: Sponsored session TBC		08:45-09:45
09:50-10:50	K1: Clinical oncology Prostate SBRT	K2: Proffered papers	K3: Patients The College of Radiographers – Amplifying the Patient Voice	K4: Physics & RP MRI safety	K5: Industry (UKIO curated) How innovation is changing our workflows both locally and at scale	K6: MSK Imaging the spine	K7: Trainee masterclass DKT Top Tips for FRCR: Interventional radiology	K8: Students TBC	K9: Breast Case reviews	K10: MSK U/S Upper		K11: Sponsored session TBC			09:50-10:50
10:50-12:00	Exhibition & refreshments										MSK U/S Lower (10:55-11:55)	Sponsored session TBC (10:55-11:55)	Sponsored session Fujifilm (10:55-11:55)	Reducing stress through time management (11:20-11:50)	10:50-12:00

11:15-11:55	Society lectures SCoR Martine Jackson Memorial Lecture - Shining lights on untold stories <i>Dr Rachel Harris, Retired</i>										11:15-11:55				
12:00-12:45	Plenary 3 - Professor Suzanne Rastrick, Chief Allied Health Professions Officer, NHS England ePoster prizes / Pitch your project research funding awards										12:00-12:45				
12:45-13:45	Exhibition & lunch (Exhibition closes at 15:00)								Breast biopsy (12:50-13:45)	Sustainability Actionable carbon reduction strategies for radiography (13:15-14:45)	Reducing anxiety in tackling difficult conversations (13:05-13:35)	12:45-13:45			
13:45-14:45	L1: Edu & workforce Working smarter not harder - maintaining the quality of learning whilst enabling opportunity and growth	L2: Proffered papers	L3: Research Pitch your project - the return		L4: Service op, QI, policy Digital solutions including AI across England	L5: Physics & RP AI – a multidisciplinary approach	L6: Trainee masterclass DKT Top Tips for FRCR: Cardiac radiology	L7: Students Ready, set, radiograph - navigating recruitment & preceptorship for new radiographers	L8: Schwartz round: Making sense of chaos - when teamwork is the best medicine	L9 Breast biopsy (13:50-14:50)		L10: Proffered papers	L11: Sponsored session TBC		13:45-14:45
14:50-15:50	M1: Clinical oncology Environmental sustainability in oncology	M2: Proffered papers		M3: Digital technology AI implementation guide	M4: Research Person centred care in diagnostic and therapeutic	M5: MSK Imaging the hip	M6: Trainee masterclass DKT Top Tips for FRCR: Gynae MRI	M7: Students From student to specialist - navigating the future of radiography							14:50-15:50
